

Meet the Speakers.

Alan Beaulieu

Principal and Economist
Institute for Trend Research (ITR)
Boscawen, New Hampshire

Presentation of his highly-acclaimed annual economic forecast.

Since 1990, renowned economist Alan Beaulieu of the Institute for Trend Research has consulted with companies around the world, and his economic forecasts have been quoted in numerous business publications and economic journals.

Alan Beaulieu has been a long-time favorite of WEMCO, and is a highly-anticipated feature at the Annual WEMCO Meetings.

Beaulieu's topics include:

- Short-term and long-term economic forecasts (U.S. and /or abroad).
- How those forecasts directly impact your company.
- Which of our Phase Management Objectives™ apply to your company at this time in the business cycle.
- What leading economic indicators we should be watching.
- What about inflation and interest rates?
- How China and India's growth impacts the US.
- What impact the current or future Administration has on the economy.
- Does the stock market give us a true reading of the economy?
