I. PURPOSE AND SCOPE

The American Welding Society, Inc. (AWS) requires Employees, Board members and District/Section affiliated Volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As Employees and representatives of AWS, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations. AWS adopts this Whistleblower Policy to establish the process for reporting violations of AWS Policies and Laws. The Management Team has responsibility for oversight of compliance with this Policy and reserves the right to modify or amend this Policy at any time as it may deem necessary with approval of Board of Directors.

II. REPORTING RESPONSIBILITY

This Whistleblower Policy is intended to encourage and enable Employees and others to raise serious concerns internally, so that AWS can address and correct inappropriate conduct and actions. It is the responsibility of all Employees, Board members and District/Section affiliated volunteers to report concerns about violations of AWS policies and laws.

III. CONFIDENTIALITY

Reports of concerns and investigations pertaining thereto, shall be kept confidential, consistent with the need to conduct an adequate investigation. Disclosure of reports of concerns to individuals not involved in the investigation will be viewed as a serious disciplinary offense and may result in discipline, up to and including termination of employment, removal from positions held within AWS, or suspension or termination of membership.

IV. REPORTING PROCEDURES

An Employee, Board member, or Volunteer who has a good faith suspicion of a violation of AWS policy or violation of any law is encouraged to report the concern to AWS’ Third-Party Whistleblower Provider.

AWS has retained the services of Lighthouse, an independent third-party whistleblower provider, which ensures the anonymity of all Employees, Board Members and Volunteers. If any member of the Management Team may be implicated in the report or alleged violation, that person shall not participate. A summary of issues will be presented to the Board of Directors and/or appropriate committees. A person or persons charged with alleged impropriety shall be given an opportunity to respond to the allegations in person or in writing.

VI. NO RETALIATION

Even if the matter is determined not to constitute improper conduct, the individual making the report will not be retaliated against. That person shall not be subject to any punishment, reprisals, or victimization – including termination, demotion, suspension, reprimand, harassment, failure to consider the Employee for promotion, or any other kind of discrimination – in retaliation for making the report in good faith.

VII. RESOLUTION

Following the investigation, AWS will:
