AWS FUTURE LEADERS PROGRAM
IS NOW SEEKING APPLICANTS FOR 2020

If you’re currently an AWS student member or are early in your welding career and want to become an industry leader, submit your application to be mentored and inspired by current AWS leaders in the Future Leaders program.

One Future Leaders participant will be a student or early career member chosen from each of the following categories:

- Welder, welding student, welding educator, or CWI with at least a high school diploma or equivalent
- Engineer, scientist, professor, business, sales or marketing staff member with at least a 4-year degree

Throughout 2020, AWS Future Leaders participants will:

- Ensure a diversity of viewpoints reflective of the entire AWS membership, especially the next generation of welding industry professionals.
- Attend two (2) AWS Board of Directors (BOD) meetings*, contributing to AWS at its highest level of governance
- Participate in committee discussions to set policy
- Attend FABTECH
- Connect with industry influencers, gaining valuable leadership experience

The two chosen applicants must be current AWS members between the ages of 18 – 30 and able to serve a one-year term (January 1 to December 31). No individual may serve more than two terms as a Future Leaders participant.

Application Deadline: October 1, 2019
